Education, Training and Outreach

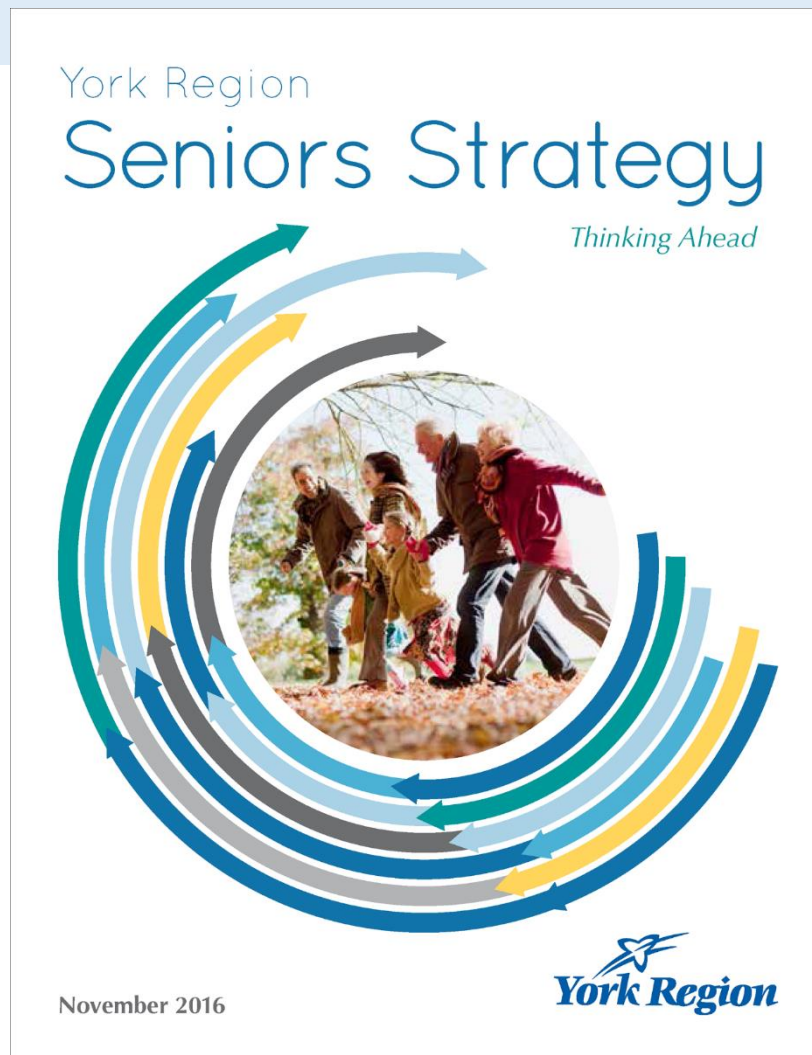

Nancy McGee, Senior Manager, Education and Outreach

November 29, 2018

# Education, Training and Outreach Priorities

Strengthening partnerships with our municipal service providers on targeted areas including:

- Community Engagement Centres
- Urban Activity Zones
- Seniors Programs
- Newcomers Programs

# Education, Training and Outreach Challenges

An increasingly complex and crowded curriculum and school system.

Risk aversion within school boards and municipalities.

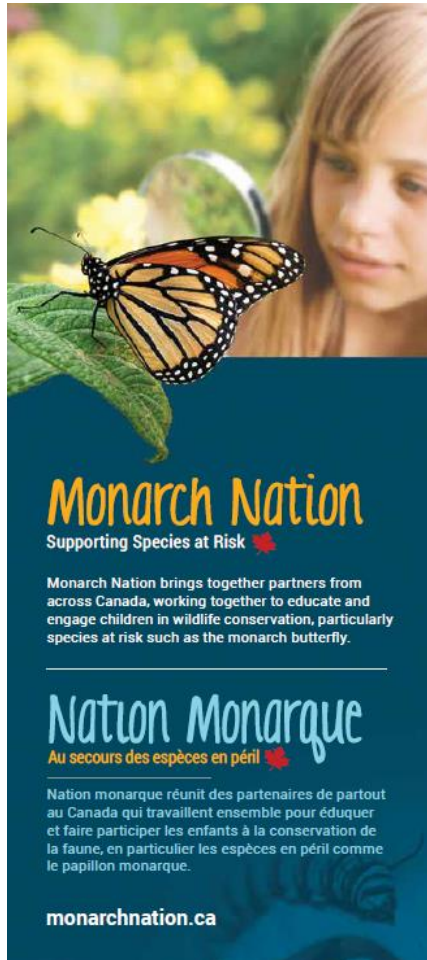

# Education, Training and Outreach Required Cooperation

- Continuing to connect the science of conservation to the learning programs of TRCA
  - This is the unique feature of conservation education

# Education, Training and Outreach Heads Up

- Monarch Nation – Federal Funding
- Lake St. George Christmas Night Out
- Bolton Camp – Site Plan Approved
