

## Sudoku

Fill in the blanks so that each row, each column, and each of the nine 3x3 grids contain one instance of each of the numbers 1 through 9.

			8		7			
1		4		2				3
				6		5		2
	9	2		3				
						2		
	5				2			4
4			9				6	5
7				8
