[11:13 AM] Sharon Lam

Hi everyone, thank you for joining us! If you have any questions for Meg or Maryam, please feel free to type your questions in the Chat throughout the presentation.

[11:18 AM] Melody Brown

Does the 'eastern union' transit station building act as a flood barrier? You mentioned that there won't be an embankment there anymore so wondering what actually acts to hold the water back and also what stops the water from entering the station.

but no mackerel Shannon!!!

[11:28 AM] Rick Portiss

there will be no mackerel in the Don river.

Lol

[11:35 AM] Meg St John

Maybe you need to think bigger Karen and Rick! (tongueout)

[11:37 AM] Karen McDonald

well, if salinity continues to rise in our watercourses, who knows what marine species we could support...

[11:37 AM] Melody Brown

Will annual dredging of the channels still be needed?
